Fairfield Union Athletic Boosters
Minutes
May 21, 2014

Those in attendance: Jeff Schmelzer, Dena Schmelzer, Cindy West, Michelle Peters, Angi Marinacci-Young, Matt McPhail, Mary VerDow

Meeting called to order at 7:07 p.m.

Officer Reports:

- *President Elect:* None
- *Secretary:* Jeff made a motion to accept the minutes from the April meeting. Michelle seconded. Motion passed.
- *Treasurer:* The only income in April was $683.74 dividend income on the mutual fun along with .27 interest on the checking account. Expenses included $2,840 for the winter banquet to the Music Boosters along with the $1,016 in athletic expenses for track, girls' basketball and volleyball. In addition, one $20 banquet check was returned for insufficient funds. The high school added the $20 to the student's charges in the school's database, so we'll hope to recover it from the family. All teams have been informed of their budget and encouraged to use it by June month-end. There will definitely be more activity on the May reports as we'll have income/expenses from the OYB tournament, spring banquet, spring MS awards events and more athletic spending.

Committee Reports:

Yard Signs: Michelle will look into getting another vendor to make the yard signs for the fall.

OYB: Matt reported that it ran smoothly. Twenty-seven teams participated. The committee would like to have another weekend to host the event in the future so as not to conflict with the same weekend as the Rushville Alumni Banquet.

Test Drive for School/Raffle: We are on a waiting list with Honda for this fall if someone should cancel their scheduled time. We are already slated to host a test drive with Ford in the fall of 2015.

Programs: No word from Cathy McCullough yet for a price quote on making the programs. Will give a deadline of June 1 to gather information. Mary offered to produce the programs again next year in lieu of Cathy to prevent the boosters from having to spend additional monies. The artwork from the students who are competing for the cover of the fall program will be scanned and sent to a group of voters (including Wall of Fame inductees, staff and community members). All of the artwork will be put on display after the voting takes place.

Banquets: 360 RSVPs are in for the Spring Banquet. Menu includes pulled pork, au gratin potatoes, applesauce, green beans, brownies, water and lemonade. Goodrich will be there to take senior pictures.

Scholarships: applications have been received. The winners will be announce this coming Tuesday at the Spring Banquet.

Unfinished Business:

Drug Testing: Matt will be reporting the proposed plan to the board on June 9th. The board will ask questions at that time. At the second meeting in June, the first reading will take place. The second reading will be done in July and a vote will take place. There are only three schools in the Buckeye division who conduct drug testing.

Website Updates: possibly add middle school sites to the sports website.

Coaches: Matt shared that it is illegal to run fundraising money through the athletic boosters. Matt will get with Kevin Miller to discuss how/why individual sport boosters were disbanded.

Nominations for athletic boosters: not enough members were present at tonight's meeting to have a quorum. Nominations will be table until next month's meeting.

New Business

Spirit Wear: Angi suggested ordering pompoms to hand out to the crowd during the fall sports events.

Athletic Director Report

Free Physicals will be offered on June 7th at Lancaster High School from 8:00-12:00 p.m. Athletes should be there and registered no later than 11:00 a.m. One coach from each team has been asked to provide supervision. Fairfield Union switched from Ohio Health to Fairfield Medical Center.

Track has had a successful season school records being broken and several athletes moving on to regionals.

Baseball finished with approximately a 9-13 record and softball finished 5th in the league.

Spring Banquet is next Tuesday night.

FUHS is hosting the DIII regional track meet on May 28th & 30th.

Alex Eversole has accepted the high school boys' basketball head coach position.

Dave Senften will be the golf coach.

Tomorrow night will be a college signing for all senior Falcon athletes playing a sport at the college level.

Jeff made a motion to adjourn the meeting. Angi seconded, motion passed.
Meeting adjourned at 8:35p.m.
