Kroger rewards amounted to $267. (Malcolm will put step by step directions on the web for families to sign up or renew their Kroger rewards.) As far as profit/loss, there was approximately $550 more in expenses than income. Malcolm made a motion to accept the treasurer's report. Angi seconded, motion passed.

Unfinished Business

- *Winter Program:* Scott Baker sent out letters via e-mail to potential vendors. A few ads have already come in. Julie Foster is communicating with Goodrich as far as what photos are needed for program. She has also contacted coaches for the biographies. Approximately $700 was made in selling the fall programs. The team pictures for the winter program will be taken this coming week.
- *Brick Sale:* two bricks were sold at one of the fall banquets. The ad is on the web page and it will also be printed in the winter program.
- *Banquets:* 541 RSVP'd to attend the 2 FUHS fall banquets. Athletic boosters paid for 230 athletes, coaches and administration. Total expense for the banquets was approximately $2,810. Julie Foster put together the 2 videos that are displayed during the banquets. The senior video is also posted on YouTube. Discussion took place regarding the scholar athlete criteria of 3.0 to receive the pin. Standard will increase for next year.
- *BASH:* Angi reported that it will take place on March 21 at the Lancaster Country Club. The committee will be meeting at the beginning of December to make preparations. She requested that the boosters provide a Brick for the auction.
- *Mascot:* this should arrive next Friday. Brooke had to use her personal credit card to order the mascot. As treasurer, she will re-imburse herself of this expense. Initially, mascot will be used at home games only. Student taking on the role of the Falcon will be expected to follow a Code of Conduct similar to the one found in the student handbook.

New Business

- *Banquet Survey:* Malcolm hopes to create a simple 10-questions survey that includes a 1-10 rating scale for most questions. He hopes to have this created by end of November.

- *Coach Webber:* Matt introduced Coach Webber who has been named the new Varsity Baseball Coach. Coach thanked the boosters for all that they do and expressed his appreciation for working with the athletes.
