Meeting called to order 7:06 p.m.

Officer Reports:
Secretary Minutes: Angi made a motion to accept the September minutes. Sherry seconded, motion passed.
Treasurer Report: Brook shared there were few expenses this month. She expressed her appreciation to all that helped out (i.e. sponsors, golfers) with the golf tournament.

Unfinished Business:
Programs: still have 150 left. A suggestion was made to sell the opposing team roster for $1. Another suggestion was to include a type of lottery in the program to encourage sales. In regard to the Winter Program, Mary is willing to put that together along with the help of Julie Foster and Scott Baker.
Homecoming: suggestions for next year include obtaining an "out of commission" vehicle to smash; ie. $1/1 hit and $5/6 hits. Also recommended was a mobile PA system.
Brick Sales: the form is on the school website and Facebook. It was suggested that the boosters try to target specific groups (i.e. MSL championship teams, cast and crew of a school play, include in senior packets). Matt has the form available to put in programs and the Music Boosters will be displaying the forms in the football concession stand. The middle school PTO will also be selling them during winter concessions.
Banquets: Fall banquets are November 6 and 13th. Jeff shared that Julie Foster has contacted the Music Boosters to serve the banquets this year and also informed them that the Athletic Boosters may change the format for next year. All RSVPs should be in this week. Julie also contacted Goodrich in regard to the complimentary 5 x 7 photos of the Seniors and their guests. She is also working on the slideshows. Angi Marinacci-Young is working on the menu.
BASH: Pleasantville Carnival is slated for March 14, 2015; therefore, Angi put a call into the Lancaster Country Club to see if the 21st will work for holding the BASH.

New Business:
Mascot – Sherry obtained an estimate for a custom made Falcon mascot which exceeded the amount approved by the Athletic Boosters last month. Angi made a motion to approve $1,213.22 plus shipping and handling to purchase the mascot. Michelle seconded. Motion passed.

AD Report:

- Coach Webber (baseball) has met with Matt to discuss a two-phase plan for the baseball field. Phase one includes the installation of a dual tunnel/batting cage, a scoreboard in right field and the moving of bleachers. Phase II includes changing the right field line and adding a bull pen.
- Winter OHSAA mandatory meeting is on November 4th at 7:00 p.m. for grades 7-12 (does not encompass club sports).
- Drug testing – second round will be next Tuesday.
- Successful fall season for FUHS teams. In the Mid-State League, girls soccer finished 2nd, volleyball tied for 2nd, girls cross country-3rd, boys cross country – 2nd, golf finished 3rd in MSL, 1st in Districts and were state qualifiers.

Angi made a motion to adjourn the meeting. Michelle seconded, motion passed.

Meeting adjourned at 8:24 p.m.
