Fairfield Union Athletic Boosters
Minutes
July 18, 2012

Those in attendance: Jeff Cisco, Scott Johns, Andrea Green, Julie Foster, and Mary VerDow

Meeting was called to order at 7:05. Andrea made a motion to accept the minutes from June 20, 2012 and Mary seconded. Motion passed.

Financial Report:
No financial report was available from Heidi for June. Julie contacted Heidi and they hope to meet next week to transfer the treasurer's books and get signatures changed on the bank account. At tonight's meeting, Julie proposed that for expenditures under $1,000.00, the committee chair approves the payment request before the treasurer pays the bill. For expenditures of $1,000.00 or more, two people approve the payment request (i.e. committee chair and someone from the executive committee). This procedure is in place of requiring two people to sign the actual check. Julie plans to put together new accounting procedures for expenditures and present them to the boosters at a future meeting. If needed, the constitution may be changed next June to allude to the Treasurer adhering to the accounting procedures of the club. Due to the treasurer's books not being available yet, plans for approving allotment amounts for coaches will be decided next month.

Committee Reports:
Golf: Would like to get 20-24 teams. They can take applications up to the week of the outing. Hope to make a long term investment with this fundraiser between the golf team and the Boosters. Hope to have two golf outings next year.

Posters & Programs: Scott shared that 180 letters have been sent out to businesses to solicit ads for the programs and posters. Only 16 have responded and none of them are selecting packages that include the posters. He plans to set out a table at the mandatory sports meeting to be held August 2 to possibly gather more donations. Julie will create the program "patron message and athlete recognition ad" form to be distributed at the sports meeting. Mary will check with Chad Myers about creating a program cover and possible spirit wear logo for this year. The group noted that Mary could offer a free program ad for Chad's services.

Scott was approached by the owner of Beverage Express & Pizza. He expressed an interest in providing pizzas at the concession stands during home games as well as Italian Ice. He would also like to offer a deal that if anyone places an order from his Main St. location and mentions Fairfield Union, $1.00 will go back to the boosters.

OHSAA/Athletic Meeting: This will take place on August 2, 2012. Will discuss the importance of Sports Representatives at this meeting and encourage parents to volunteer. Information in

regard to purchasing a patron ad will be shared at this time. May also pass out BASH mugs. Julie agreed to update the Powerpoint slides to provide announcements to attendees as they arrive to the meeting. One or more of the Executive Committee members should give a brief announcement about the Booster activities.

Homecoming: This will be on September 28, 2012. Boosters discussed the possibility of a bonfire as part of the homecoming celebration. An official date for the bonfire is yet to be determined. May incorporate the golf ball drop as this time as well. The boosters would like to the Spirit Wear to reflect the 50 years of sports at FUHS.

Fundraisers for upcoming year:
Jeff asked that booster members be thinking about possible fundraisers for the new school year.

Jeff also suggested a sign be purchased for the purpose of advertising the Fairfield Union Athletic Boosters at various events throughout the year (i.e. selling Spirit Wear, during Flower Sales, etc) Jeff made a motion to purchase a banner not to exceed $250.00. Julie seconded. Motion passed.

Scott made a motion to adjourn the meeting. Andrea seconded. Motion passed. Meeting adjourned at 9:02 p.m.
