Committee Reports:
Programs – the form for winter sports will be coming out soon. Ads for the winter program will be due by November 8th. Hopefully, team photos will be taken the week of November 11th and that programs will be ready to sell the week before Thanksgiving. There are approximately 100 fall programs left. We have sold approximately 180.

Homecoming – Angi Marinacci-Young sent out an e-mail last week in regard to the itinerary and details of the parade/bonfire. Mr. Keirns and Shyna Gawell met today to review details. Key club will be serving the cider and donuts. Due to potentially having two teams involved with tournament play next Wednesday, the bonfire/parade will be moved to Thursday, October 24th.

Senior Head Shots – due to pictures missing from original CD, three different allotments of pictures had to be made, but they are completed and posted in the cafeteria.

Goodrich – Matt McPhail discussed poor quality of fall sports pictures and timelines not being met with Goodrich. We are in year two of a three year contract with Goodrich. We are giving Goodrich another chance with the winter pictures.

Banquets – RSVP forms and baby pictures of the seniors are due this Friday (October 18th). Action shots of all other fall athletes are due October 25th. Music boosters are on board with the meals for the banquets.

Unfinished Business
Drug Testing – Sports Safe is involved with setting this up. They are currently working on the language of the contract.

Brick Project – bricks are $25/piece. The Danison Company can do the engraving. We will have to hire masons to install the bricks.

Pom Poms – the actual cost came to $339.

New Business:

Sports Web Site –It was asked if parents could assist in updating the 8 to18 website for each individual sport. Matt McPhail shared that that is the responsibility of the coach/coaching staff. They were the ones trained to do it.

OYB - the boosters plan to continue hosting this event in early spring.

AD Report:

Golf – took 5th place at State.

Matt shared a poster option for senior athletes.

Malcolm Lanham made a motion to adjourn the meeting. Angi Marinacci-Young seconded. Motion passed.
