Minutes
9/17/14

Those in attendance: Michelle Peters, Scott Johns, Malcolm Lanham, Jeff Schmelzer, Brooke Conrad, Angi Marinacci-Young, Matt McPhail, Julie Foster, Kindra Sunkle, Sherry Rennie, and Faith Shinn

Meeting called to order at 7:52 p.m.

Office Reports:
Secretary Minutes: Malcolm made a motion to accept the August minutes, Brooke seconded. Motion passed.
Treasurer's Report: The report showed mostly activity for August which contained several in/out transactions. There were two big deposits yesterday and the dividend income or expense is not in this report. Girls' soccer and Golf used up some of their funds for shirts. Balances as of August 31, 2014.

Cash in Bank:	12,744.92
Investment Accts:	34,808.77
Total Assets:	47,553.69

Unfinished Business:
Programs: 300 programs have been ordered so far. Boosters brainstormed ideas of getting sports clubs involved in the selling of the programs for next year.
Homecoming: Angi Marinacci-Young did a wonderful job organizing tonight's event with staff, coaches and student council. Mr. Kerns would like to meet with student council and have them be even more active than what they were this year. In evaluating tonight's festivities, boosters discussed tweeking the activity around the bonfire. Julie pointed out that student council was just elected the week before the bonfire making it difficult for them to get things organized. Therefore, maybe having guidelines about the bonfire already printed up would be beneficial.
BASH: Angi Marinacci-Young reported that the date for the BASH is March 14, 2015. She has gathered up approximately 12 volunteers to serve on the committee. Please send any donations to Angi.
Brick Project: Michelle Peters spoke with a Patrick (mason) who shared the cost to install a brick would be $175. He is looking into the number of a traveling mason for us to consider. Bennett Masonry will charge $815 to install 50 bricks. Michelle will look into getting the word out this year that the bricks are for sale. Possible avenues: 8-18 sports, winter program, Facebook, Mr. Philabaum, banquets, etc. Michelle will contact Mr. Destadio about the brick he purchased last school year.
Banquets: these will take place in early November. In years past, the banquets were prepared by the Music Boosters for $10/plate. Julie Foster offered to handle the videos and the reservations. Angi Marinacci-Young offered to look into the menu. Discussion took place as to possibly changing the format of the banquets (i.e. potluck, dessert, etc) for next year and maybe use a different vendor other than music boosters. Malcolm Lanham offered to look into compiling a form/survey to gather input from parents with which route to take for next year's format.

New Business:
Falcon Mascot: Discussion took place in regard to purchasing a falcon mascot for the high school so that one would not have to be borrowed from the middle school. Sherry reported that a company in Columbus can get them custom made for $1,000 or less. Sherry Rennie, Faith Shinn, Kindra Sunkle and Angi Marinacci-Young volunteered as a committee to research the making/costs of a falcon mascot. Malcolm made a motion for the committee to approve upon a mascot up to $1,000. Michelle Peters seconded, motion passed.

AD Report:
Matt McPhail reported that the search for a head baseball and a head softball coach continues. October 4th is the golf outing for baseball.

Michelle Peters made a motion to adjourn the meeting. Scott Johns seconded. Motion passed.

Meeting adjourned at 8:50 p.m.
