

## Bullying Incident Report

January 6, 2020 through May 21, 2020

Public school districts in Ohio are required to make available a report of the number of student “bullying/harassment” incidents on a semi-annual basis, and post that report on the school district website.

The following are bullying/harassment incidents reported by each building principal during the second semester of the 2019-2020 school year.
