

## Fairfield Union Athletic Boosters Present: Another Brick in the Wall

After several years the FUAB is proud to again be selling bricks for our memorial wall dedicated to Officer Brett Markwood, a Lancaster police officer, who was tragically killed in the line of duty. Officer Markwood was an alumnus of Fairfield Union, as well as an athlete. Fairfield Union patrons can now

have a little piece of history left to future Falcons by purchasing a brick to be placed in the wall. Bricks can be purchased in one of two colors. Bricks will be sold throughout this school year and then installed this summer. Money from this fundraiser will be used for the continued support of our athletes and their programs at Fairfield Union Junior/Senior High School.

Cost: \$100.00
