1. Meeting Called to Order by the President at 7:07 p.m.
2. Attendance: President; Angi Marinacci-Young, Vice President, Scott Johns, Secretary; Denise Hoffmann, Athletic Director; Ryan Montgomery, Dena Schmelzer, RMS Cross Country Coach, Mike Graham and Tara Graham, Renae Baker.
3. Secretary Report: Scott Johns moves to approve, Dena Schmelzer seconds. All approve.
4. Treasurer Report: Brook Conrad not in attendance. No report available.
5. Athletic Director Report: Weight Room Update: Three quotes for flooring and equipment have been received. A discussion with the coaches took place. When the coaches met, they agreed for needs and were okay with moving forward. An example of a quote was shared, and the cost could be around \$25,000 to \$28,000. Discussion took place about replacing racks with half racks to increase space and create stations and facilitate the rotations of teams in and out of the weight room. A suggestion was to start with eight and half racks and replace dumbbells. The Athletic Boosters would to add Women's bars with smaller grips that are up to 35 pounds to the quote. AD explained that FULS is not able to add any funds to the additional cost for the weight room. Angi Marinacci-Young proposes a motion to fund up to \$30,000 toward the renovation of the Athletic Booster Weight Room. There will be a second reading of this motion next month when all members are present. AD is hopeful to have the install take place in the summer, potentially during the "Dead Period".
6. Old Business: It has been confirmed that Dana House will be taking on the Programs and soliciting advertisers. Concerns were mentioned about Football parents not signing up for concessions. Parents have aired concerns about not knowing the schedule of when or where to sign up. Dena Schmelzer has posted the schedule on the Athletic site. Concessions: Cheese warmers came in today. Hopefully the refrigerator for the baseball stand from Pepsi will arrive soon. There was a discussion about a grill for outside the stands. The group will need to do some pricing and vote on the purchase. Dena would like to have a Saturday cleaning day for the concessions and to build a community feeling for the athletic programs. It has been found that a closing cleaning

list needs to be posted in the concession stands. Ryan Montgomery was asked if the concessions could be added to the FULS cleaning schedule. He will investigate it and noted that the trash has to be placed outside for pick up. In the main outdoor concession stand, two leaks by the breaker box and one by the three-compartment sink were discovered. There is also an issue with hot water in the ball stands. Banners are up and look great!! The Athletic Booster Scholarship applications were given to the counselors to be advertised after spring break.

7. New Business: OYB Tournament is scheduled for May 18 and 19, 2018. Sign Up Genius is ready to go for volunteers. Volunteers will be verified and sent to the coaches to inform the athletes. Mrs. Johns will work with Dena Schmelzer regarding the concessions for the tournament. The Middle School gym will be available this year on Saturday morning from 8 a.m. to 12 p.m. The swim team has an invoice for lane fees and money to submit to the Treasurer. Renae Baker is asking about obtaining a laptop; possibly a used one, for swim team needs. The AB suggest that she use the team allotment to meet the team needs.
  
8. Good of the Group: KUDOS to Ryan Montgomery for the Twitter updates. The student athletes are re-tweeting and they enjoy seeing the feeds. It is great that Twitter is also being used to keep people informed of the additional updates and cancellations of events.
