

Title 1 School-Parent Compact

Fairfield Union Schoolwide Title 1 buildings (Bremen Elementary, Pleasantville Elementary and Rushville Middle School) and the parents of students participating in activities, services and programs funded by Title 1, Part A of the Every Student Succeeds Act (ESSA), agree that this compact outlines how the parents, the entire district/school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high academic standards.

Student Responsibilities: We, as students, know our parents and teachers want to help us learn, but we are the ones who have to do the work. So we will:

- Share the responsibility to improve our academic achievement and achieve the state's high standards.
- Always do my best and believe that I can and will learn.
- Work cooperatively with my classmates and teachers.
- Be respectful and responsible for my behavior at school and on the bus.
- Give work and school papers to the adult responsible for me.
- Pay attention and ask for help when needed.
- Complete assignments and homework.
- Read daily with an adult or by myself outside of school time.

Parent Responsibilities: We, as parents/caregivers, want our child to succeed. We will encourage him/her by supporting their learning in the following ways:

- Monitor attendance, progress in school, class assignments and homework.
- Stay informed about my child's education by communicating with the school staff.
- Encourage positive attitudes about school and support the school policies.
- Encourage my child to get enough sleep and eat nutritiously.
- Establish with my child a place to study and read daily.
- Participate in decisions relating to my child's education.
- Participate in my child's education, when possible, through volunteering, attending school functions, or serving on committees.

School Responsibilities: We, as classroom teachers, understand the importance of the school experience to every student and our position as a teacher and a role model. We will promote student learning in the following ways:

- Provide and deliver high quality curriculum and instruction in a supportive and effective learning environment, in which parents are welcome partners, to enable your child to meet the State's student academic standards.
- Provide parents with opportunities to volunteer and participate in their child's class.
- Be aware of your child's needs.
- Communicate with you about your child's progress frequently with progress and report cards.
- Motivate and encourage your child to practice academics at school and at home.
- Hold parent-teacher conferences.
- Provide materials and/or ideas for home to enhance literacy, numeracy or other academic subjects.

I, as school principal, will support and encourage student/parent/teacher compacts and partnerships. I will:

- Create a welcoming environment for parents and students.
- Maintain and foster high standards of academic achievement and behavior.
- Provide information on how to maintain two-way communication.
- Conduct annual Title 1 meetings.
- Communicate the school's mission and goals to students and parents.
- Provide opportunities to access staff and volunteer opportunities.

School _____ Parent _____ Student _____
