Old Business:

- Tax info will be done at end of April
- Trailer decal – waiting for trailer to get back from dealership
- Fundraising:
  - Coffee fundraiser – was fairly easy but chorus students did not get forms as they were not passed out. What is the percentage of participation between Chorus and Band on fundraisers?
  - Fundraising dollars will decrease due to no concession money.
  - Directors must fill out request for funding form instead of just handing boosters a receipt. No money spent until approved by Music Boosters. Request for funding must be before purchase made.
  - Requests for money may be denied due to amount of money in Music Booster account.
  - Mattress fundraiser – scheduled for 4/14/18.
  - Ideas:
    - Selling ads for a community calendar with band/choir picture

- Maybe try and do first one in-house and have it completed in August to have it run with the school year. Recruit 1 person to take the lead for this project. Julian to get more information.
  - Getting sponsors for the trailer – sell ads on the side/back of trailer
  - 5 K – get parents to help or take lead on this
- Pizza Wagon – need to figure out what are options are and get with fair board to see what would happen if the trailer cannot pass inspection as we have already paid for our space. Place pizza wagon need on face book and check will alumni association to see if they can help.
- Concession transfer – complete and food paid for
- Donation requests – not done. Check with Cheryl to see if she may want to take lead on this.
- Gala – Get list of items that need orders – paper products, balloons, cookies, lemonade. Melissa to have things ordered Steven and Julian to set up. Room requests are completed.
- MFIC video completed viewing can be done through band web site.
