Section 1: Introduction

Remote Learning Operating Principles

- ❑ Local pandemic conditions may determine or alter the mode of instruction throughout the school year and dictate that learning is completed remotely. In the event the District is forced into a remote learning situation, each student will experience a learning opportunity supported by a teacher who is in a different location.
- ❑ Our goal is to be ready at a moment's notice to provide continuous instruction to our students under any conditions and to support the academic, social, emotional and physical needs of our students even though school buildings are closed.
- ❑ Remote learning does not just mean online learning. Technology certainly is a supportive tool for remote learning, but powerful remote learning can occur through thoughtful offline lessons that encourage students to explore the natural world and engage in interdisciplinary and artistic hands-on learning.
- ❑ Remote learning plans should not necessarily replicate a traditional school day—especially with regard to the daily schedule and timetable.

FOOD DISTRIBUTION DURING CLOSURES

- We know a remote learning environment may cause many hardships on our students and families. School meals can provide needed nutrition for students. We encourage **ALL** families to take advantage of this service during a school closure. Students do **NOT** need to qualify for free/reduced lunch for this service.
- Fairfield Union will be utilizing our Transportation Department, Food Services Department and Staff to deliver meals daily utilizing our bus stops when the district is in a **RED STATUS LEVEL**. Meals will be delivered on bus routes between 11:00 am and 1:00 pm. Meals will be delivered to Bremen Elementary School and Pleasantville Elementary School at the end of the bus routes, which will approximately be 12:30 pm. Families will also have the option to pick up a meal daily at Fairfield Union High School between 11:30 am and 12:30 pm. If you are needing a meal for your Fairfield Union student(s), please fill out the reservation form at the following link: [Fairfield Union Meal Reservation Form](#) ***Reservations must be submitted by 1 pm daily for the next delivery day to allow for the proper number of meals to be prepared.**
- When the District is operating on a **Green**, **Orange**, or **Yellow** Status Level, students may also request meals on a daily basis using the Food Service Reservation Form. Students in a remote learning environment during a **Green**, **Orange**, or **Yellow** Status Level may pick up meals daily at Fairfield Union High School at the cafeteria entrance between 10:30 am and 12:00 pm.
- Contact Sally McCandlish, Director of Food Service, at 740-536-7384 or sallymccandlish@fairfieldunion.org with questions.
