

Individuals With Disabilities Education Act (IDEA)

The IDEA requires school districts to locate, identify and evaluate all resident children and adults from age 3 through 21 who are suspected of needing special education services. This notice is a required step in this search, and the district is committed to fulfilling the intent of the IDEA. Therefore, any child who is suspected of having a disability and who is not currently identified should be referred to the Principal of the building of attendance. Also, Jan Broughton, Superintendent, may be contacted at 536-7384.
