### STEM & STEAM Challenges—3 Hours

Instructor Mrs. Haughn

Grades K-4

Does your child enjoy building or creating things? Would your child be interested in three weeks of challenging their brain with STEM or STEAM projects? Mrs. Haughn, a kindergarten teacher at Pleasantville Elementary will be hosting a “Makerspace” where your students can explore the world of STEM and STEAM. The STEM acronym stands for Science, Technology, Engineering and Mathematics. STEAM adds in an Art element. Throughout these three weeks, your students will be able to choose various projects on their own or with other students. This “Makerspace” will be a student-directed activity where they decide on what they want to explore. Reading, writing and math will be covered and monitored in each activity as well. Grades K-4 are welcome to attend these three weeks of discovery.

### Funky Falcons Camp Games—1 Hour

Instructor Mrs. Bollin

Grades K-4

Have you ever heard of “Steal the Rabbit” or “Bring Home the Bacon”? How

about ‘Color Hop’ or ‘Cone Tipping’? If you sign up for the Funky Falcons, we will be playing all kinds of crazy camp games that you will learn to love! During this time, we will work on teamwork and exercising our kindness as well as our Falcon bodies! nnis shoes and water bottles are required, BUT laughter is optional.

### Social Skills—1 Hour

Instructor Mrs. Roberts

Grades K-2

Does your child struggle with relating to their peers? Are you looking for a patient and welcoming environment for your child? This session will help your child improve their interactions with others in a small group setting. Possible topics include (but may not be limited to): Listening with your entire body, Turn-taking, Asking and Answering Questions, Nonverbal Language, Tone of Voice, Personal Space, and Problem Solving.

## **Summer Speech Therapy Sessions** **By Appointment**

**Instructor—Mrs. Myers—Grades K-4**

Calling all speech students—This summer we are excited to offer an opportunity for your child to continue to build on the speech and language skills they have addressed throughout the school year. This 3-week program will have an individualized focus on developing receptive language, expressive language, pragmatic/social language, articulation, fluency, and/or home training. Each 30-minute session will be run by a licensed speech-language pathologist and will address goals specific to your child's needs. Speech therapy sessions will be offered 1-2x weekly on an invitation only basis.

Please contact Mrs. Myers to determine if your child qualifies for summer speech services.
