Below are simple test tips things that can be done to help ensure that your student has a successful testing experience this school year. Please take a moment to review the list with your child and discuss any other questions or concerns your student may have regarding the testing.

- Make sure your child gets plenty of rest.
- Ensure your child eats a nutritious breakfast each morning
- Students should be reminded not to rush, but rather to pace themselves
- Students should read questions entirely before answering
- If time permits, students should review their test to ensure that all questions have been answered

Counselor's Corner
