Committee Reports:

 - Century Resources fundraiser will start September 2021
 - Samantha Ashton will contact vendors for possible T shirt and merchandise sales- this has not been a huge fundraiser in the past but does bring in some money and is a nice thing for families and alumni to have access to.

- Trailer:
 - Christina Shaw Bosch will get a sign up sheet together for events at which we need the trailer pulled.
 - One of the back lights needs repaired, Melinda Smith stated her husband may be able to look at it; will follow up with Christina
 - Mr. Savage reported the trailer will need cleaned out but notes he can have band kids help with it if we get it to the band room.

- Fair:
 - Discussed possible menu. As of now considering popcorn, nachos, hot dogs, chili dogs, walking tacos, falconade, water, pop, cookies. We will keep it simple to maximize income. Tentatively plan to be open 10-10. We are opting not to do breakfast as it was not a good seller in the past under the grandstand.
- Banquets:
 - We are no longer doing MSL banquets. Our first band even will be the end of band camp banquet.
- Hospitality: Jill and Jacien Squires will organize water and snacks for our band and visiting bands at football games.
- Pizza Wagon: Based on past performance at football games as well as upkeep on the pizza wagon, it is no longer financially viable to continue. We will continue to have discussions in regards to what to do with the pizza wagon.

Old Business:

- OP Gallo Invoice: We still have not received in over 2 years. Will disregard at this time.
- Storage Shed: Stephen Fox will bring key to Mr. Savage this week. He will work with Millersport to pick up the cooler then we will empty the remainder of items so we can stop paying for storage.
- Officers: Samantha Ashton has taken over as President since Stephen Fox stepped down last spring. Official vote this meeting with motion by Jacien Squires, seconded by Christina Shaw Bosch.

New Business:

- Melissa Burton would like to purchase the flat top griddle that is currently in storage for \$100. Jacien will find out how much it was purchased for. When we empty the storage unit, we will make sure it still works and has all the parts then will make a decision.

Next Meeting: August 4th @ 630 in the choir room.

Respectfully submitted by Christina Shaw Bosch.
