Dear Parent/Guardian,

OneView is where you will find the district's annual student forms that previously were submitted through PayForms/PaySchools. However, your child's lunch account and fees will still be paid through PayForIt/PaySchools Central.

We are requesting that you take a moment to visit the OneView portal located on the homepage of Fairfield Union's website www.fairfieldunion.org and update any information and sign-off on agreements for this year.

The electronic, online forms (Student Health Form, Emergency Contacts, etc) are available immediately. It would be very helpful if families could complete the online forms this week. However, we would like all forms completed and submitted by:

August 19, 2019

Below this letter are helpful links if you have forgotten your credentials. If you still have questions, please contact your student's school building, or before school starts, please contact Jennifer at the district office.
