

The McKinney-Vento Act

The McKinney-Vento Homeless Assistance Act was designed to address the problems that homeless children and youth face in enrolling and attending school. Under this Federal law, school districts are required to designate a district liaison to help remove barriers that homeless children frequently face. If you are aware of any families in our school district who are facing this difficult problem and who have children who are not enrolled in school, please contact Jan Broughton at 536-7384.
