

Title 1 Parent Right to Know

2023-2024

Academic School Year

Dear Parent/Guardian,

At Fairfield Union Local School District, we are very proud of our teachers and feel they are prepared to give your child a high-quality education. As a Title I school, we must meet federal rules related to teacher qualifications as defined in Every Student Succeeds Act [Section 1112 (e) ESSA]. These rules allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

If at any time your student has been taught for four or more consecutive weeks by a teacher that is not highly qualified, you will be notified by the school of this information.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's assignment to a teacher or paraprofessional, please contact your building principal.

Sincerely,

Roger Nott, Principal Bremen Elementary
Lydia Tokarz, Principal Pleasantville Elementary
Tricia Haughn, Principal Rushville Middle School
